## 2017 WHF-3M Fellow Award and Lecture

Friday, April 7, 2017; 4:45-5:45 PM

2017 will mark the 18th anniversary of the 3M Fellow Award presented by the WHF. The WHF-3M Fellowship is a one-year \$15,000 gift to stimulate scientific research and career development of young investigators or junior faculty pursuing a career in wound healing research.

The announcement of the 18th annual Fellow will be made. Following the announcement, the 2016 WHF-3M Fellow awardee, Joshua Tam, Ph.D. from Massachusetts General Hospital will speak on the reassembly of full-thickness skin from micro skin columns.
